

Reforestation Program

Tree Purchase Application

The reforestation program will provide trees at a reduced cost to property owners who have lost trees due to oak wilt. Property owners who have a management plan created and approved by the Village will be eligible for a 50% discount of the tree cost. Other Village property owners are eligible for a 40% discount of the tree cost.

Are you a Village Property Owner? Yes No

Do you have a management plan? Yes No

Important Information: Village property owners who have a management plan approved by the Village are eligible for a 50% discount of the tree cost. All other Village property owners are eligible for a 40% discount of the tree cost. To receive either discount, the property owner will need to attend a tree planting and maintenance seminar offered by the Village of Kronenwetter.

Trees must be picked up within two weeks of notification from the Village or the trees will be planted on Village property or resold with no refund to the original purchaser. The Village may limit quantities of trees in a purchase to ensure that more residents can participate.
