Kronenwetter Comprehensive Plan Survey

240	A pool would be fantastic, not a fancy one, just a neighborhood pool. More bike paths would be great. The subdivisions aren't connected very well. You're stuck in your subdivision (biking, walking) unless you go out to County X, for instance, which is not safe. I hate the fact that there are no sidewalks. We live on a busy street (Kowalski Rd) and the speed limit is 35. Everyone is biking and walking and it is not very safe. Also, lots of other surrounding communities have leaf pickup in fall, but we do not. That would be a wonderful service. It would be awesome to flood Friendship Park in winter for ice skating. There are no close ice skating rinks. Everything is so far; we are missing the neighborhood feel and activities.	7/18/2018 8:28 PM
241	Develop the intersection of kowalski and hey 51 Get a home/hardware store in the village.	7/18/2018 8:16 PM
242	n/a	7/18/2018 7:52 PM
243	Get people to clean up around there places, way to much junk, old cars, and some yards are very seldom mowed. You drive down Terrebonne Dr and it doesn't have a great curb appeal.	7/18/2018 7:45 PM
244	The water. Need sidewalks especially on Old Highway 51.	7/18/2018 7:42 PM
245	More green space, less housing	7/18/2018 7:17 PM
246	Street lights	7/18/2018 7:16 PM
247	I would love to see the bike path extended from the corner of Howland by the Y to X/XX intersection.	7/18/2018 7:02 PM
248	Doing good job now. Plowing of roads in winter always a challenge.	7/18/2018 5:56 PM
249	More growth. Restaurants and business	7/18/2018 5:50 PM
250	Install on and off ramps onto/off of Hwy 51 from/to Kowalski!!!! This would make life SO MUCH EASIER and much more convenient for MANY Kronenwetter residents going to and from many different places.	7/18/2018 4:58 PM
251	Improve the street quality.	7/18/2018 4:44 PM

255	Kwik Trip by Cedar Creek. More family/community events. Move thrift sale off of Father's Day weekend, create a "Kronenwetter Days" with carnival, games, softball tourney, bags tourney...things like that. Build an indoor recreational center.	7/18/2018 4:07 PM
256	Street lights, leaf pickup	7/18/2018 4:00 PM
257	Take out the traffic lights at Village Way/Old 51. The ten cars that go in and out of the power plant can wait for traffic on Old 51. They won't have to wait long. There isn't that much traffic on old 51 and the lights at the ramps provide a break in the traffic. Also take out the traffic lights at Gardener Park Road/Old 51 for much the same reasoning. Also take out the traffic lights at Maple Ridge/Old 51 for much the same reasoning.	7/18/2018 3:46 PM
258	More street lighting	7/18/2018 3:45 PM
259	No comment	7/18/2018 3:27 PM
260	Side roads entering old 51 enter at such an angle that obstructs vision of on coming traffic.	7/18/2018 3:12 PM
261	Move from an atomistic, dispersed bedroom community (that we are now) by beginning to develop a "community center" with some shopping, a place to gather (interact), restaurant choices, again where community members can further interact in a setting of all that a "community" has. Once this comes to fruition, Kronenwetter can actually create sense of identity and belonging, rather than the current situation where people think they live in 'Mosinee' when actually they reside in the Village of Kronenwetter. This needs work.	7/18/2018 3:06 PM
262	Ban vacation rentals.	7/18/2018 3:04 PM
263	require residents to keep their property cleared of junk	7/18/2018 2:56 PM

268	Park in the Timber Creek subdivision area as originally planned.	7/18/2018 1:21 PM
269	maintain large areas of green, parks, wildlife areas, bike and hiking trails, etc.	7/18/2018 1:14 PM
270	more parks - benches at parks	7/18/2018 1:14 PM
271	we could add a splash pad/park like "Wanick Choute Park" located in Sherwood WI.	7/18/2018 1:12 PM
272	better enforce junk in yards and un kept properties	7/18/2018 12:49 PM
273	Require horseriders to clean up horsepoop off the roads as dog owners are required to clean up after their pets	7/18/2018 12:46 PM
274	Do NOT build apartments! Maybe have trails on side of busy roads for walkers/bikers.	7/18/2018 12:42 PM
275	Change student per teacher ratio at Evergreen to attract more family's. Fire department response is bad. Ambulance response is way to slow. Help with homes that pile up junk in the yard and make it look bad for everyone. Also make people mow the lawn more than twice year	7/18/2018 12:32 PM
276	I work in downtown Wausau, it is terrible down here, there is all sorts of riff raff. I am sure this is due to the fact that sex offenders and gang members from Chicago and Milwaukee are brought here. They are happily accepted and the Wausau Police do nothing about it, keep that sort of thing out of Kronenwetter.	7/18/2018 11:26 AM
277	More designated walking and biking routes (with traffic calming measures.). A connection to the weston paved path would be great!	7/18/2018 10:34 AM
278	Relax, when you talk to other people in the community Kronenwetter is known for having a village that makes choices that seem to be in the best interest of a few individuals and not for the whole community. A keeping up with the Joneses feeling.	7/18/2018 10:28 AM
279	Add commercial development and work with developers to make sure residents are treated fairly.	7/18/2018 10:10 AM
280	Keep taxes low. A chev will do-a caddy is not needed to get from point A to point B.	7/18/2018 8:59 AM
281	Give more consideration to the residential areas that are existing in the areas along major roads	7/18/2018 8:14 AM
282	Keep taxes low	7/17/2018 10:40 PM
283	Bike path on hwy X that meets to Weston and Rothschild Some type of community pool? Outdoor Ice Rink in the winter-maybe at Friendship Park?	7/17/2018 10:19 PM
284	More children parks, like the Lambeau field children park, or something similar. Also, high speed internet is very poor (lacking/none). We may have to move because of this (unfortunately). Frontier is useless at our house they say because we are at end of line. Charter is across the street (can see ped from my house), but they won't service because their 'box' is at capacity. Also, ATV trails and allowing them on town roads would be a great idea. It would be easy to do, and would greatly improve tourism.	7/17/2018 10:14 PM
285	Outdoor hockey rinks and sledding hill/run. Pick up recycling every week.	7/17/2018 10:06 PM
286	Fix the garbage you put on our roads. We were told it would be fixed by now. Just getting worse.	7/17/2018 9:34 PM
287	More street lights	7/17/2018 9:25 PM
288	Streetlights. Hard to walk or ride bikes after dark	7/17/2018 9:22 PM
289	More consistent answers from admin. Things change too often. We are told no and the next year our neighbors are told yes. Also rural internet. We can't use it consistently at our home	7/17/2018 9:03 PM
290	Get rid of trailer park. Paved walking trails. Some street lights.	7/17/2018 8:58 PM
291	There isn't much to do in town, have travel awhile to get to anything and there isn't public transportation anywhere close. Also phone and internet reception could be better.	7/17/2018 8:27 PM
292	Ban Mosquitos	7/17/2018 8:21 PM
293	Note comments below.	7/17/2018 8:18 PM
294	Bike trails walking trails	7/17/2018 7:24 PM
295	More high speed internet access.	7/17/2018 7:23 PM
296	Lgbtq resources or outreach	7/17/2018 7:13 PM
297	No new bike paths	7/17/2018 6:55 PM
298	Update some of the ordinances, and improve traffic on XX & X. That intersection is dangerous.	7/17/2018 6:53 PM
299	Quit allowing subdivisions to be built, Be a little more considerate at the village building.	7/17/2018 6:36 PM
300	More food options	7/17/2018 6:31 PM

303	Improve Emergency Services	7/17/2018 6:06 PM
304	Some type of walking/running trail along business 51. Dangerous running along road currently.	7/17/2018 6:02 PM

306	Expand & improve parks and recreational activities	7/17/2018 5:46 PM
307	Stop letting subdivisions go up any place	7/17/2018 5:44 PM
308	I would suggest leaving the land alone in the village and make use of properties that are already established. Not building more sub divisions stores etc. The weston area is growing and is close enough for everyone to use the services in neighboring villages.	7/17/2018 5:39 PM
309	More eating establishments	7/17/2018 5:28 PM
310	Fix the fly issue from the mink farm on gardener park road.	7/17/2018 5:23 PM

323	More retail	7/17/2018 3:07 PM
324	Make building a lil more friendly to residents	7/17/2018 3:05 PM
325	Put an more food places out here and a kwick trip gas station.	7/17/2018 2:52 PM
326	Lower property taxes	7/17/2018 2:52 PM
327	Provide better internet options. Charter would be nice.	7/17/2018 2:47 PM
328	Get a hardware store	7/17/2018 2:47 PM
329	Build a outdoor swimming pool for famlies to enjoy	7/17/2018 2:42 PM
330	add an on off ramp to HWY 51 from Kowalski	7/17/2018 2:37 PM
331	Stop laying that small rock gravel down on roads every few years, just put smooth black top down. I don't need that tar on my car and it is difficult for biking and rollerblading.	7/17/2018 2:33 PM
332	Stop building apartments, fix the screwed up, chipped roads. Replace Randy. Follow through on your efforts, we still do not have a park down here in the southern district, roads are still a disaster and the apartment complexes can't fill themselves so stop encouraging them.	7/17/2018 2:30 PM
333	I would like to see zoning restrictions change on small farm animals, specifically chickens, to match other local communities.	7/17/2018 2:24 PM
334	Curb and gutter. More restaurants more employers	7/17/2018 2:16 PM

343	More restaurant options and a drive through coffee shop.	7/17/2018 1:03 PM
344	Pay more attention to the seniors/disabled people. Like in the winter, the snow plow could get a plow or use a way of doing the streets so driveways did not get a huge hump of snow that is hard to remove. Got car stuck trying to get over it last winter. Put some holes in the bottom of dumpsters so they do not collect water when the lid gets left open. Make parks a pet free area. Kids do not need to be playing in sand that has dog feces in it. All Parks should have shelters. All parks should be better patrolled after dark.	7/17/2018 1:03 PM
345	Update some of the parks with new play equipment.	7/17/2018 12:40 PM
346	Create more services for the taxes we are paying. The snow removal is often late and lacking; no refuse pickup, and the village lets anyone build any type of house in the area just to get the tax money. Our new logo can be: Kronenwetter, land of the bi-levels and Denyon Construction where every other house is about the same.	7/17/2018 12:31 PM

350	More community events. Garbage pickup without everything all over the roads every week. Better shopping for groceries.	7/17/2018 11:35 AM
351	Our new subdivision on Moondance Dr did not receive any cable/internet utilities which has been a major disappointment. Especially considering that the original half of Moondance Dr already has cable/internet as well as the new Denyon Homes subdivision East of us.	7/17/2018 11:31 AM

358	better water	7/17/2018 8:59 AM
359	Use reason when determining regulations. I agree that there need to be rules and regulations to keep the community nice but there needs to be more research put into those decisions.	7/17/2018 8:59 AM
360	Street lights on Deerwood Trail	7/17/2018 8:29 AM
361	Better Water Quality. Water is a vital natural resource to the citizens. Private water source and public water sources need to be high quality. The quality of life of the Village Citizens is only as high as the natural resources that support those citizens.	7/17/2018 8:21 AM
362	I would love to see more businesses move here	7/17/2018 7:28 AM
363	more comprehensive long range planing	7/17/2018 7:08 AM

#	OTHER ISSUES YOU FEEL TO BE VERY IMPORTANT OR IMPORTANT	DATE
1	Emergency Siren south of village hall	8/13/2018 8:34 PM
2	Water quality and water availability	8/8/2018 8:24 AM
3	Stop filling up fields with generic cookie cutter houses that are cheap, all look exactly the same and fill in wetland to do so just to increase tax base. When those people move on...what is Kronenwetter left with? Low income housing? We need people to invest money and stay here, not have junky starter homes, and not fields upon fields of them.	8/7/2018 3:30 PM
4	Clean water without adding chemicals to keep it clear, for example, polyphosphate.	8/6/2018 7:55 PM
5	Again, these questions are basically too vague to be answered intelligently. In what way do you want to develop roadways and businesses? Do you think it is OK to build a factory next to a residential area? How will traffic flow changes be handled? What are the tax consequences on homeowners?	8/6/2018 6:25 PM
6	Lower taxes	8/6/2018 4:20 PM

Kronenwetter Comprehensive Plan Survey

7	Develop non-residential tax base. There is enuf emphasis on residential. Clean up the water in 2 years.	8/6/2018 2:45 PM
8	Fix Martin Rd other than with a patch here and there every year. It makes a very rough road, not to mention all the tar on vehicles every year. The far end of our road the town of Reid owns and they have done a great job. Kronenwetter could learn a lot by checking out Reids end and how to do a road.	8/6/2018 2:39 PM
9	If you have ever dealt or seen him in public, you have to question how Richard Downer is in the position he is. That guy is a joke and an embarrassment of a leader for Kronenwetter.	8/6/2018 12:15 PM
10	We need an ambulance service and newer fire trucks	8/5/2018 10:41 PM
11	Having the 911 operators dispatch the appropriate ambulance so we do not end up having to pay for 2.	8/4/2018 4:41 PM
12	preserving private property rights!	8/4/2018 2:33 PM
13	None at this time	8/3/2018 8:51 PM
14	Too much focus on having low taxes. I would prefer to get closer to average for taxes and increase services	8/3/2018 3:24 PM
15	We NEED internet access. TDS will only provide us "Dial-Up". We also need good phone service in our area - both land line and cellular.	8/2/2018 8:50 PM
16	Maintain the rural feel of the Village. Do not develop residential sub divisions at a greater pace that increases the amount of vacant lots. Fill the current Sub Divisions before allowing developers to create more Sub Divisions so they can take the money and run. All this does is increase the urban sprawl in our Village. More residential development does not lower our taxes when the increase in required services is factored into the equation!	8/2/2018 6:55 PM
17	Retaining marsh/woodlands to preserve animal habitats and nature!under	8/2/2018 2:24 PM
18	Long term planning of housing developments and keeping the village nice.	8/2/2018 11:46 AM
19	Developing and new retail business.	8/2/2018 11:07 AM
20	Residential serenity	8/2/2018 10:57 AM
21	?	8/2/2018 10:38 AM
22	A taxi cab service for Kronenwetter residents.	8/1/2018 3:03 PM
23	This is a lovely suburban area. Don't work towards development into a larger city-with more roads, industry, noise...	8/1/2018 9:13 AM
24	Stop using tar and gravel method of road resurfacing. It's annoying for months after being done, and doesn't really extend the life of the road surface (previous cracks reappear almost immediately). The last time it was done on Kowalski between Kronenwetter Drive and old 51, reflectors were glued down. Those have long since broken off, some leaving sharp shards sticking up. They aren't enough to damage car tires, but believe me they rip up bike tires! Either they need to be physically removed after the lines are repainted, or not used at all.	7/31/2018 3:24 PM
25	Crime seems very low. Is the amount spent on police force necessary?	7/31/2018 11:28 AM
26	Stop allowing day cares in neighborhoods. They should be away from neighbors. At the least, they should have to have a license and a privacy fence in place.	7/31/2018 10:08 AM
27	Triangle park?	7/31/2018 9:48 AM
28	this town is starting to look dumpy please enforce to town code	7/30/2018 5:57 PM
29	Reduce property taxes by consolidating emergency services with other municipalities like Rib Mtn. and Mosinee.	7/30/2018 12:17 PM
30	Efficient administration, smaller police force, lower taxes	7/30/2018 12:13 PM
31	I wish the garbage trucks had a way to close their trucks more efficiently. Garbage flies out as the truck speeds up as they are exiting subdivisions along Old Hwy 51. Lots of litter, but not intentional.	7/30/2018 10:05 AM
32	attracting new businesses and residential areas to help lower the burden of property taxes on current land owners/residents	7/30/2018 9:23 AM

Kronenwetter Comprehensive Plan Survey

33	Consolidating Fire/EMS is a double edge sword with response times and cost benefits. It would have to be done at the benefit to the residents and not for the blanket statement of saying there is increased coverage coming from SAFER which can not guarantee a rig coming from Weston and in some cases would be coming from Rib Mountain which will just increase response times further and over stretch the resources already being used by several other municipalities, and during the winter ski hill months their call volume can hardly handle their own core response areas and is something to keep in mind when looking in to merging any type of EMS and Fire service.	7/29/2018 9:27 PM
34	Establish a "clean up Kronenwetter campaign"	7/29/2018 3:42 PM
35	New development on the east side does not have fast internet service. Charter/Spectrum does not serve the new homes. Internet service is very slow with the option available.	7/29/2018 11:28 AM
36	We are happy with the internet access we have but unhappy with the providers increase in cost. We realize this may not be something Kronenwetter can fix.	7/28/2018 8:12 PM
37	Solar lighting at the dog park would be so useful for working dog parents and when our days are shortened.I suggest we raise the price of the village dog licence to \$10.00.That would help with the cost of solar lighting, another bench in the front area. Another suggestion when fixing parking problem, how about angel parking along road where we are parking now on road. There would be room for about 5-6 cars. Which is about the most there at one time. Just fill in the ditch which has the sharpest rocks around. Mary Abt	7/28/2018 1:47 PM
38	Keeping residential areas clean, lawns cut, reduce number of cars per home/driveway lawn	7/28/2018 10:45 AM
39	Parking at the dog park is very poor. Forces people to partially park on Kowalski. My suggestion is to move the dog park further south and create a parking area to the north side.	7/28/2018 10:42 AM
40	Taking realistic development steps	7/28/2018 6:04 AM
41	Re-developing Cedar Creek, and keeping businesses there instead of creeping into our neighborhoods. I worry about what might develop on the land north of Northland Lutheran High School on Tower. It would be nice to see something like Wausau's Monk Gardens go there rather than a business.	7/28/2018 12:35 AM
42	Larger grocery store, more restaurants	7/27/2018 11:12 PM
43	Expanding recreational activities so the children in residential areas South of Maple Ridge have a playground	7/27/2018 6:09 PM
44	Getting our own ambulance service	7/27/2018 3:54 PM
45	The Gardner Park area still has issues with the coal train blocking the entrance to HWY 51.This is devastating in an emergency situation.	7/27/2018 8:35 AM
46	The wireless cellular reception is very inefficient. We experience several gaps of service or very low signal reception throughout different parts of the village. So improving the all around cell phone reception is very important to us. We have had issues with Verizon and ATT. Also are we the Village of Kronenwetter or Mosinee? This is very frustrating especially when conducting official business and the postal service auto populates the city to Mosinee. It's sad when my husband's driver's license says Mosinee and mine says Kronenwetter.	7/26/2018 9:32 PM
47	Develop the X and XX intersection, perhaps with a round-about to ease traffic movement.	7/26/2018 12:00 PM
48	I chose Kronenwetter for it's quiet atmosphere, yet short drive to Wausau. I am not looking to have, nor do I feel that we need to turn it into a business sector.	7/26/2018 9:26 AM
49	Having a patrol car for the Kowalski road speeders	7/26/2018 8:28 AM
50	This village needs Internet access!	7/25/2018 4:19 PM
51	On and off ramp at Kowalski Rd. And Hwy. 51	7/25/2018 3:21 PM
52	pay off debt	7/25/2018 10:28 AM
53	Improve cell coverage throughout village	7/25/2018 9:32 AM
54	Continue Oak wilt management program	7/25/2018 9:18 AM
55	Maintain the rural feel and do not put sidewalks or curb and gutter	7/25/2018 9:15 AM
56	Safety of pedestrians and bikers. I don't feel safe walking on Creek road where I live. There isn't a shoulder to go on when a car is speeding by and they are Always speeding by. We have a four acre lot and pay twice the taxes as a 40 acre lot, but can't use our lot for a small hobby farm with horses or a cow. How is that right?	7/25/2018 8:25 AM
57	Reducing lights from businesses that interfere with the view of the night sky.	7/24/2018 10:31 PM

59	More dog friendly areas, more affordable rental properties that are handicapped accessible to people who are not senior citizens, a disc golf course, a skating rink, a pool	7/24/2018 7:06 PM
60	Snow removal is a big problem on Kowalski bridge during winter. I am tired of people speeding like crazy people and not understanding the rules of the road.	7/24/2018 9:10 AM
61	Provide some trail access for equestrian usage that cyclist and snowmobilers enjoy.	7/23/2018 6:46 PM
62	cell phone tower	7/23/2018 4:05 PM
63	Reduce taxes	7/23/2018 2:14 PM
64	when issues arise, make sure they are enforced or at least followed up on. There is a issue of Oak from March that was suppose to stop but she keeps taking in dogs and no one stops her!	7/23/2018 10:44 AM
65	Love to see a concert area developed and a ramp to the highway off Kowalski rd.	7/22/2018 8:33 PM
66	Add roundabout at X and XX and fix sharp curve XX.	7/22/2018 5:59 PM
67	Better management of municipal finances, TIFF districts and developers to end up with a sustainable and better quality infrastructure product.	7/22/2018 11:54 AM
68	Oddly the question about consolidation of emergency services, what does that have to do with anything the Village didn't already explore?	7/21/2018 6:27 PM
69	An entrance and exit to I39 from Kowalski Road is a number 1 priority	7/21/2018 5:23 PM
70	Why no businesses in years? Who is responsible? Why board members are not asking who and what is going on?	7/21/2018 2:08 PM
71	Try not to cram so many homes into such small areas. An ATV trail system would be nice. Walking/biking paths more through woodlands.	7/21/2018 1:45 PM
72	Bike path on camp Phillips, swimming pool, and ambulance service.	7/21/2018 1:07 PM
73	Please make sure The Glades apartment holds up their deal with fencing and planting of trees to buffer from our homes right behind them. The home owners on Sedona Court are very concerned!!!!!!!!!! There is a building 25 feet from our lot line so we are not sure how the can fit trees, a burm and fence in that space.	7/21/2018 10:44 AM

78	Would be nice to have a bike/walking path along X that goes to the Aspirus YMCA	7/21/2018 7:55 AM
79	We need to partner and consolidate emergency services with our neighbor communities to improve the overall coverage of services and reduce costs.	7/21/2018 7:39 AM
80	Get fire dept built up to handle all the new development or join another department	7/20/2018 10:05 PM
81	Lower taxes	7/20/2018 9:33 PM
82	Promote upkeep of yards. Eliminating junk and litter.	7/20/2018 8:30 PM
83	We are seeing a great many multiple family units, how about single family residences? Family if they own have more interest at keeping up the property and getting along with their neighbors.	7/20/2018 8:08 PM
84	I believe the 6-digit numbering system for emergency vehicles would simplify and quicken response time for services. It would be nice if a garbage and recycling were actually picked up every week or every other for recycling. Sometime we wait four week for recycling and we have to call several times.	7/20/2018 7:44 PM

133	Expanding recreational opportunities is not a village task. Groups can raise money for their specific needs of at least users of facilities should be charged enough to cover costs associated with them. Folks that golf pay to keep their recreational facility open. Others should also instead of the general tax base supporting their hobby. Boaters pay at boat launches, I've paid for bike trail passes. Many people don't use the recreational facilities and shouldn't have to support them with their tax dollars.	7/18/2018 12:46 PM
134	Don't overcrowd the village!	7/18/2018 12:42 PM
135	An on/off ramp on Kowalski is needed, there is no reason residents in that neighborhood should have to drive all the way to the other two on ramps when they could get right on from Kowalski. Fast internet access, a fiber network in the community would be great.	7/18/2018 11:26 AM
136	Snow removal- While it is important that the snow is removed in a timely manner - there is no way those plows are driving the speed limit- every year mail boxes are knocked down- and at the normal speed limits even with heavy snow that does not happen. 180	<p>Don't understand why there is no sidewalk or bike path from the Weston YMCA out to where all of the new subdivisions are by Pine Rd etc. but we have signs in our immediate neighborhood that promote outsiders to tour past our residential properties. This in my opinion increases safety hazards for the property owners. I don't want to worry about hitting more people that don't even live in my neighborhood as I try to back out of my driveway. It invites more crime as well if any of these "bikers" decide to be up to no good. My neighborhood sucks for snow removal during the winter...I laughed above where it says for increased snow removal it causes increased taxes. Honestly give me a break...by the time your crew decides to plow my neighborhood at all in a NEW subdivision, the ice has hardened under the new snow and it makes it difficult the rest of the winter season. So for that one how about doing the job right and adequate before assuming someone needs to be paid more right away. Lastly my major complaint is your building inspection department. Whomever the inspector was that passed all of the houses built by SJM builders should be fired. Almost all of my neighbors are experiencing the same structural & cosmetic defects of the bulider that milled out one house after another & didn't care about nothing but making money off of people that thought they were buying brand new "quality" homes. I know I sound very harsh in this section..but these things are important and to see the ball dropped on them really makes me upset. Esp, the last one. The homes are not insulated properly & barriers are either poorly done or non existent, you can see where the roof trusses have moisture damage already & it shows through the drywall. Bathroom fixtures that vent into the attic so moisture accumulates and damages the structure, radon gas detected in our neighborhood- nothing mentioned by anyone. New driveways & garage floors already cracking and looking old. Literally speaking for ourselves we bought expensive junk that was obviously not inspected properly.</p>	7/16/2018 2:57 PM
181	When I bought my house here 1 1/2 years ago I wasn't told that they would be building apartments behind my house. And they keep building more and more apartment buildings. Mark my words, coming from a big city, in time this is going to depreciate the area. I moved here because it was more of a rural area. Now I hear they want to develop the area around Maple ridge rd. This nice area will not be nice anymore.	7/16/2018 2:42 PM

1	Safety	8/14/2018 12:23 PM
2	Family community events	8/13/2018 8:34 PM
3	Friendly neighborhoods, clean and well maintained streets and exceptional public safety services. I also value and utilize the businesses in Kronenwetter especially Village Crossing, best addition in years.	8/13/2018 10:45 AM
4	lack of sidewalks and lighting large lots rural feel	8/8/2018 8:24 AM
5	The community we are building here seems to be close knit, likes a more rural atmosphere but have some of the perks of being close to a bigger city, near the hwy to get to many places - unique, but will lose the edge if we just fill up our area just to be "bigger" and not have substance to that. We need quality vs quantity. We need (as a village) to focus on and promote what makes us great.	8/7/2018 3:30 PM

66	I really enjoy the peace and quiet throughout this area. That was a huge factor in us choosing Kronenwetter as a place to raise our kids. I enjoy being able to safely ride bikes throughout the neighborhood and know that we are safe from heavy traffic. Another thing we love about the neighborhood is that there are some amenities near by (the new Village Crossing gas station, banks, grocery stores), but they are not right next to the residential homes, allowing some private, quiet space.	7/28/2018 6:52 PM

Answered: 333 Skipped: 305

#	RESPONSES	DATE
1	Roads and speed limit	8/13/2018 8:34 PM
2	Sidewalks for the newer subdivisions and or a walking/bike path to link up to neighboring paths. Maybe some additional recreational features at the parks like a splash-pad or a skate park.	8/13/2018 10:45 AM
3	improve parks for more utilization tighten code compliance to protect house values	8/8/2018 8:24 AM
4	See 7 & 8 above. Some of the very traveled areas are becoming congested with traffic. I think we need to look at traffic lights for safety and to help speed traffic along in certain areas.	8/7/2018 3:30 PM
5	More dedicated walking/biking trails, or trails that link SAFELY to other existing trails.	8/6/2018 11:05 PM
6	the water quality, developing more bike, walking and snowshoe paths (NOT SIDEWALKS!). Disappointed that the Village of Kronenwetter got rid of the DONATED Conservancy - it attracted many homebuyers in the past!!	8/6/2018 7:55 PM
7	Better internet access on Nick Avenue	8/6/2018 6:27 PM
8	Zoning. Enforcement of ordinances. Not allowing developers to disregard existing rules (setbacks from existing properties, road, DNR restrictions, etc.)	8/6/2018 6:25 PM
9	Lower Taxes	8/6/2018 4:20 PM
10	Somehow go to a ward system to represent the various neighborhoods on the board. Get off the fence on cleaning up the water.	8/6/2018 2:45 PM
11	Nothing	8/6/2018 2:34 PM
12	Consolidate Fire Dept with an Area Fire Unit	8/6/2018 12:15 PM
13	A hardware, hair salon, and "family dollar" type store nearby	8/6/2018 7:09 AM
14	Get rid of the apt complex	8/5/2018 10:41 PM
15	Improve county/state roads within the Village, add a network of biking/walking trails/routes to connect parks and recreation opportunities.	8/5/2018 1:17 PM
16	Run 3 phase power east of 153 from oak road to HWY X	8/5/2018 8:14 AM
17	The ease with which constituents can access and get reasonable responses with requests. Has a very poor reputation regarding this.	8/4/2018 9:45 PM
18	do not install any roundabouts!!!	8/4/2018 2:33 PM
19	None at this time	8/3/2018 8:51 PM
20	Put a gas station on the corner of 51 & Kowalski.	8/3/2018 8:36 PM
21	Snow removal has been horrible (at least in my neighborhood) the last few winters	8/3/2018 3:24 PM
22	Develop the Old Hwy 51 area, bring in more businesses	8/3/2018 10:00 AM
23	Controlled Growth would be a vision that is adhered to in our Village Government and Village managers.... It should be a Core Value that is cherished not squandered.....!	8/2/2018 6:55 PM
24	Street lights	8/2/2018 11:46 AM
25	The village is too sleepy. Homes and yards are being neglected. Overgrown and cluttered yards and landscaping.	8/2/2018 11:07 AM
26	?	8/2/2018 10:38 AM
27	Sunset park needs work Develop more businesses and light industry	8/2/2018 9:46 AM

28	The administration of the village. No one listens to the people when we can even figure out what is going on. New developers (both commercial and residential) should have to follow the same ordinances that existing people do. Some common sense needs to be used when adding commercial areas. It affects all the neighbors and those using the area. Of course none of this development is going on near those involved with the Village government and making comments like 'That's why I don't live in your neighborhood.' is completely inexcusable. Many people moved to their neighborhoods BEFORE changes were proposed and later destroyed.	8/2/2018 9:32 AM
29	Less money spent on non essentials such as bike trails	8/1/2018 7:31 PM
30	Develop a downtown including businesses like shops and restaurants. Create a nonmotorized trail system. Establish a park in the Timber Creek subdivision. Building the Kowalski Road interchange.	8/1/2018 5:28 PM
31	Put the yard waste site at a more convenient location - closer to residential areas.	7/31/2018 9:36 PM
32	Reduce tax	7/31/2018 6:37 PM
33	There could be more sense of community.	7/31/2018 6:10 PM
34	Lighting on all roads in all neighborhoods.	7/31/2018 3:24 PM
35	Preserve farm land etc...	7/31/2018 2:53 PM
36	There seems to be a "good old boys" network that makes decisions for the village based on what they want rather than taking into account the wishes of the community	7/31/2018 1:34 PM
37	Our representatives would listen to the people that elected them, I don't think they do now	7/31/2018 12:44 PM
38	No Mink Farm or better rules for an agricultural property near so much residential space.	7/31/2018 11:33 AM
39	Set up inexpensive shuttle bus so people could attend local businesses without fear of DUI's.	7/31/2018 11:28 AM
40	Kowalski interchange	7/31/2018 11:10 AM
41	Bring more businesses to the area, so there would not be further tax burdens on the home owners. Take care of the senior population better.	7/31/2018 10:08 AM
42	There are a handful of cell towers within 1 mile of my house, yet without WiFi going - i cannot get a signal at all. My house is a dead zone. How is that possible when i live so close to the towers?	7/31/2018 10:03 AM
43	Off road recreational UTV's/ATV's/Snowmobiles and more off road bike and walking trails.	7/31/2018 9:53 AM
44	Improve the enforcing of codes. Lots of low quality stuff in yards. Maintaining landscaping.	7/31/2018 9:48 AM
45	Enforcement of keeping the yards free of junk cars, tires, etc	7/30/2018 5:57 PM
46	Stricter zoning or enforcement of present zoning codes so don't have manufactured housing (double wides or mobile homes) mixed in with conventional stick-built homes or, a semi-commercial building in a residential area.	7/30/2018 3:30 PM
47	Have the village end at Bull Junior creek on highway X, and have Guenther annex the Kronenwetter land south of Bull Junior Creek.	7/30/2018 12:17 PM
48	smaller police force, lower expenses for police force	7/30/2018 12:13 PM
49	More bike trails as I see more adults biking to Rothschild and Mosinee for work.	7/30/2018 10:05 AM
50	have a better convention center	7/30/2018 5:54 AM
51	Shopping	7/29/2018 3:42 PM
52	Add more eating establishment	7/29/2018 3:07 PM
53	Add an interchange ramp on Kowalski to get to the highway. ALSO, add more internet options for new homes on the east side of Kronenwetter.	7/29/2018 11:28 AM
54	Continue to improve the quality of life	7/29/2018 7:42 AM
55	A Kronenwetter village library. Activities that are family orientated and welcoming to special needs youth.	7/28/2018 8:12 PM
56	I wish some people would put more effort into maintaining their homes. I also think it would be nice for our parks to be updated a little bit, such as the Terrebonne park. I feel that some of this equipment is outdated and could start causing slivers (playground equipment).	7/28/2018 6:52 PM
57	add street lighting, make sure roads are plowed down to the surface so you're not driving over rutted ice all winter	7/28/2018 10:45 AM
58	More restaurants and retail and/or light commercial businesses.	7/28/2018 10:42 AM
59	Keep improving building and code enforcement	7/28/2018 6:04 AM

Kronenwetter Comprehensive Plan Survey

60	More biking, hiking paths. Maybe a public pool.	7/28/2018 12:35 AM
61	Larger grocery store	7/27/2018 11:12 PM
62	public transportation available	7/27/2018 7:27 PM
63	Adding a playground, splash pad, and sledding hill in Maple Ridge area	7/27/2018 6:09 PM
64	On/off ramp at kowalski	7/27/2018 3:54 PM
65	Kowalski road interchange would help the traffic congestion heading North and South on HWY 39	7/27/2018 8:35 AM
66	Start limiting new residential development areas. The increase in population will start to crowd the elementary school and decrease the teacher to student ratio.	7/26/2018 9:32 PM
67	Decrease the amount of cookie cutter subdivisions, and decrease housing...keep it rural.	7/26/2018 9:09 PM
68	Lower property taxes. Stop trying so hard to urbanize with all the associated costs. A low-cost rural gem area on the outskirts of Wausau is nice.	7/26/2018 4:40 PM
69	A little more commercial opportunities, perhaps more recreational options such as bicycle and walking paths, ATV areas or routes.	7/26/2018 12:00 PM
70	More focus on making it a pleasant residential area with nice scenery and privacy in land lots. Mass construction of new "cookie cutter" houses with clearcutting of all woodlands is highly undesirable not only in sheer numbers of new citizens, but also in visual appeal.	7/26/2018 9:26 AM
71	Having a patrol car for the Kowalski road speeders	7/26/2018 8:28 AM
72	Continue the path from the Y through to Evergreen School. Walking paths along busy streets. It would be nice to be able to walk to mini golf or even the gas station along the busier roads and feel safe	7/25/2018 8:28 PM
73	Add additional parks to the newly developed areas. There are a lot of parks established in the D.C. Everest portion of the Village, but not any in the new developments in the Mosinee school district. Enforce people who do not maintain their yards to do something with all the weeds growing.	7/25/2018 8:12 PM
74	A few good restaurants would be nice.	7/25/2018 7:59 PM
75	keep land from being built up	7/25/2018 7:24 PM
76	Hold back on building expansion etc. if I wanted to live in town I would have bought a house in town!!!	7/25/2018 7:08 PM
77	try to attract more industry to the commercial land.	7/25/2018 6:19 PM
78	More internet access, less development!	7/25/2018 4:19 PM
79	Less development and less businesses	7/25/2018 3:21 PM
80	Improve internet and cell service, establish Kowalski interchange, go back to IROW garbage collection	7/25/2018 9:32 AM
81	lower property tax	7/25/2018 9:18 AM
82	I would put more stop signs and remove the yellow center line from Terrebonne Drive. I feel this gives people a sense that it is a highway and it is okay to drive 40 miles an hour.	7/25/2018 9:15 AM
83	Merge public safety with another surrounding municipality to cut costs. Our subdivision is very high in taxes yet our snow removal is terrible.	7/25/2018 8:54 AM
84	Lower the speed limits! Better internet-our internet provider can't even do a speed test because it is so slow. I don't blame the village, I blame the phone company. Is it possible to get more competition for internet in our village?	7/25/2018 8:25 AM
85	Dark sky lighting ordinance.	7/24/2018 10:31 PM
86	Make a Kowalski Road interchange, and develop it. Do not develop the Maple Ridge interchange. It's too close to rural areas.	7/24/2018 10:16 PM
87	Better street lighting & sidewalks	7/24/2018 8:34 PM
88	Bring in a kwik trip	7/24/2018 8:03 PM
89	I would add some roundabouts at some intersections that are busy, add a disc golf course, a skating rink (ice and roller skating), a pool,	7/24/2018 7:06 PM
90	lower speed limit on Gardner Park Road. Talking to the milk farmer more often, in regards to removing the manure on a more regular basis..	7/24/2018 4:35 PM
91	All backyard chickens	7/24/2018 4:21 PM

Kronenwetter Comprehensive Plan Survey

92	enforce housing standards ie, lawn care, vehicle parking all over, also, why are there vehicles all over in some yards. if they are not licensed they should be in a garage or moved. big eye sore	7/24/2018 9:31 AM
93	Add curb and gutter to prevent cars from driving in our lawns.	7/24/2018 9:23 AM
94	No camp fires! I hate them. Our houses are too close together for people to have these stupid fires. They burn trash and don't watch their fires. Ban fires!!!! Evict some people. Some neighbors are apauling and you can't just have a shot of jaeger and ignore it all, I'm afraid. Also have more police presence during Fourth of July as fireworks should NOT be lit in the residential areas.	7/24/2018 9:10 AM
95	Leaving the area as rural. No need for more commercial and especially not as much multi family dwelling. Way too many apartments in the Maple Ridge interchange area.	7/24/2018 8:36 AM
96	Community events	7/23/2018 11:40 PM
97	As I said above, I would add paths specifically designated for biking/walking.	7/23/2018 8:35 PM
98	Get rid of the separate fire and ambulance service, our fire service has minimal training and has poor performance.	7/23/2018 7:24 PM
99	Scrap the current land use directives in favor of more logical/practical goals when dealing with areas already developed.	7/23/2018 6:46 PM
100	Skate/ bike park	7/23/2018 4:02 PM
101	Bring in a Kwik trip :)	7/23/2018 2:43 PM
102	Adding a Post Office	7/23/2018 1:01 PM
103	More support for rural areas. Less code. Quit micromanaging the rural areas.	7/23/2018 11:13 AM
104	Monitoring conditions of properties to prevent blight. We have 1-2 properties on our block that do not maintain yard or home. Looks terrible.	7/23/2018 8:00 AM
105	More community events	7/22/2018 8:33 PM
106	Transparency. New to the area and can't find out why taxes are so high for a small town - what do my taxes pay for that they need to be that high? If it is transparent, where can I find the info?	7/22/2018 5:59 PM
107	sidewalks/bike paths	7/22/2018 1:36 PM
108	The Villages perception of quality housing, planning and development of projects.	7/22/2018 11:54 AM
109	Develop more recreational opportunities! Bike paths, running trails, snowshoe trails, etc.	7/22/2018 10:53 AM
110	Utilizing interstate and maple ridge	7/21/2018 6:27 PM
111	Be sure there continue to be neighborhood parks as new subdivisions develop.	7/21/2018 6:03 PM
112	Pretty hard to improve on an already outstanding Village	7/21/2018 5:23 PM
113	Hire someone to get businesses	7/21/2018 2:08 PM
114	More walking trails	7/21/2018 1:43 PM
115	We would not change anything we enjoy living here.	7/21/2018 1:07 PM
116	Add a public pool like Rothschild and Weston	7/21/2018 12:10 PM
117	Not making so many cookie cutter housing developments	7/21/2018 11:53 AM
118	Atv trails, Kwik Trip at exit 181	7/21/2018 10:44 AM
119	where things are like convenience stores, most are near Cedar Creek. put some near Maple Ridge	7/21/2018 10:37 AM
120	Already mentioned above.	7/21/2018 10:28 AM
121	Cut administration in municipal center	7/21/2018 9:43 AM
122	Add additional multi-use paths (Kowalski road/X/XX)	7/21/2018 9:42 AM
123	administration	7/21/2018 8:18 AM
124	Find ways to increase community participation in the village government. Better market and communicate the benefits of Kronenwetter to the central WI region and the entire state.	7/21/2018 7:39 AM
125	get a more progressive council; administration seems sort of sleepy	7/20/2018 10:05 PM
126	Improve recycling center by relocating it closer in and doing more recycling drive for things normally not picked up by weekly trash collection.	7/20/2018 8:08 PM

127	I would like to see more single family homes going up. Now whenever there is a development it seems it is always multiple family dwellings. there is more pride of ownership and care given to single family homes.	7/20/2018 7:44 PM
128	the Cedar Creek area which technically doesn't fall under Kronenwetter, the entire mall area where pick n save inhabits is in shambles and they don't have stores that draw in anyone. we have a lack of quality shopping in Kronenwetter and have to go to Wausau (Rib Mnt Dr) for any kind of shopping experience.	7/20/2018 4:12 PM
129	That most of our tax base is residential with only a few businesses contributing.	7/20/2018 3:46 PM
130	I would not have allowed the current industrial creep into what was otherwise a residential area. It would also be great if dogs were not allowed to be off leash without their owners in the yard with them. It's awful trying to take a walk when a dog starts running at you and the owner isn't there to call them back. I mostly only walk along the busier roads now because there is less risk of being attacked by a dog.	7/20/2018 3:32 PM
131	Randy Fifrick needs reassignment. Everyone says he is too difficult to work with.	7/20/2018 1:51 PM
132	Improve Internet availability. More community type events to get residents together.	7/20/2018 1:30 PM
133	Strategic placement of cell towers. We have poor cell phone reception at our home.	7/20/2018 12:40 PM
134	Additional restaurants	7/20/2018 12:31 PM
135	Better internet. Better upper level employees at the municipal center.	7/20/2018 11:51 AM
136	Kowalski sidewalk	7/20/2018 9:59 AM
137	Improve streets, safe walk and bicycle paths, better lighting, keep residential, rentals, commercial properties zoned accordingly.	7/20/2018 9:47 AM
138	Poor stewardship of funds by the village is extremely concerning. Village government needs to be more transparent. Comments or concerns made at meetings go in one ear and out the other.	7/19/2018 8:32 PM
139	Require paved driveways in subdivision	7/19/2018 8:29 PM
140	sidewalks on some roads	7/19/2018 8:27 PM
141	No crappy chip sealed roads and better code enforcement for inadequately maintained properties.	7/19/2018 8:00 PM
142	Bring businesses	7/19/2018 7:40 PM
143	Taxes	7/19/2018 7:31 PM
144	Questioning who and why there is not retail, most towns/villages have retail dollar store etc.	7/19/2018 7:09 PM
145	more shopping and dining options.	7/19/2018 5:55 PM
146	Easier way to get new small businesses up	7/19/2018 5:44 PM
147	I would like to see more shopping access and business start-ups to perhaps help lower taxes.	7/19/2018 4:40 PM
148	No opinion	7/19/2018 3:30 PM
149	Sidewalks or walking paths, especially near the schools	7/19/2018 1:43 PM
150	reduce taxes	7/19/2018 1:00 PM
151	adding kowalski highway access	7/19/2018 12:38 PM

153	Push Village employees who are responsible for bring businesses in.	7/19/2018 11:41 AM
154	I can't think of anything specific	7/19/2018 11:06 AM
155	Street lights	7/19/2018 11:00 AM
156	Exit at Kowalski Road would bring additional businesses to the area, make commutes shorter and make Kronenwetter more sought after. Green energy transition and possibly a bike/recreation path/area with our gift of natural beauty	7/19/2018 10:42 AM
157	I would like to see people adhere to the existing laws, and for the police to enforce them. Peace and quiet are my most important qualities, and excessive exhausts, children screaming and lack of owner's controlling their dogs barking, are extremely important to me...	7/19/2018 10:42 AM
158	Increase public safety services and bring more businesses in	7/19/2018 10:37 AM

159	I have moved in from a different area and the 'smattering' of housing areas that do not have sidewalks and lighting, co-mingled affordable housing such as income based and trailer parks. It seems as if the planning is disconnected with no clear path to creating the Kronenwetter Identity. To me, it just seems like this could be better managed for long term. A downtown style area with defined neighborhoods and a clear design with regards to lighting paths, sidewalks etc would go a long way towards creating a loyalty and identity for the city. Right now, its more of an I live here because its close to the interstate, and its between Mosinee and Schofield. I think a town/village identity is important. If a view of google maps shows anything, its a lot of potential. There is a ton of land that seems unused or privately owned but there is room to grow and space a block north and south of kawalski road east and west of the I has a lot of potential all the way over to the river and would not isolate or detract from the already built up housing areas but add to them.	7/19/2018 10:13 AM
160	add a ramp on Kolowski add twice a year yard waste pick up	7/19/2018 10:05 AM
161	Like it as it is!	7/19/2018 9:50 AM
162	INTERNET - INTERNET - INTERNET	7/19/2018 9:40 AM
163	put in Kowalski Rd. interchange, and develop that area, to include through street , from CWA through to Cedar creek shopping center area	7/19/2018 9:34 AM
164	Improvements to parks. Skating rink/splash pad/pool would be a good starting point. Friendship Park has plenty of space and facilities for this.	7/19/2018 8:54 AM
165	Find a way to SAFELY connect Kronenwetter to the YMCA area. Hwy X is too dangerous for walking, biking or anything.	7/19/2018 8:52 AM
166	To try and talk the village into slowing down expansion. We have a great residential village why must you try to expand on x. Leave it rural please.	7/19/2018 8:50 AM
167	Less homes more retail/businesses	7/19/2018 8:42 AM
168	Rural internet	7/19/2018 8:36 AM
169	Bring in more retail. One gas station is not sufficient. Stop building so many multi-family apartment buildings. What about a Kwik Trip at Maple Ridge Rd exchange?	7/19/2018 8:21 AM
170	Bring retail into the Village!!!	7/19/2018 8:04 AM

181	Crack down harder on apartments buildings that have troubled tenents	7/18/2018 8:56 PM
182	More transparency in the administration. We were not happy a few years ago when our subdivision had all those problems with the flooding / high water. Homes should never have been built there, or infrastructure should have been in place to prevent this. This cost our family so much money in repairs and taxes. We wouldn't have bought our house if we had known all of this information before. This is a big sore point for us. We feel someone (realtors, village) was making money when the homes were built, but we paid the price.	7/18/2018 8:28 PM

199	We need businesses and manufacturing for increased taxes but prefer they be distant from any neighborhoods.	7/18/2018 4:00 PM
200	Take out the traffic lights at Village Way/Old 51. The ten cars that go in and out of the power plant can wait for traffic on Old 51. They won't have to wait long. There isn't that much traffic on old 51 and the lights at the ramps provide a break in the traffic. Also take out the traffic lights at Gardener Park Road/Old 51 for much the same reasoning. Also take out the traffic lights at Maple Ridge/Old 51 for much the same reasoning.	7/18/2018 3:46 PM

211	I know that there is not enough time/energy to enforce codes/zoning but it's frustrating to have such codes/zoning and see blatant violations. I also struggle with the balance of being open to all people but not having protections for neighbors/neighborhoods with rentals that are continuously attracting people who do not follow laws.	7/18/2018 1:30 PM
212	Develop more hiking, biking trails.	7/18/2018 1:14 PM
213	I would add a splash pad.	7/18/2018 1:12 PM

225	I feel as if there is no public knowledge of term endings for board members and new members given a chance to throw a name in the hat. If your a person that works 40 plus hours a week, multiple jobs etc, there is no time to sit and catch up on the village website	7/17/2018 10:22 PM
226	Non motorized trail system and more outdoor recreational options	7/17/2018 10:19 PM

229	The board members.	7/17/2018 10:00 PM
230	Administration has little direction and leadership. Spends a lot of time focusing on things that are not at all relevant to the residents. Priorities are not always of the residents in the community but instead on their job and what they want.	7/17/2018 9:34 PM
231	Lower property taxes	7/17/2018 9:25 PM

236	Street lights on Old Hwy 51 in residential areas	7/17/2018 8:21 PM
237	We definitely need to bring in new business, both commercial and industrial to enhance our tax base and provide jobs. Also, a shopping area is very important for that sense of community.	7/17/2018 8:18 PM
238	Maybe consider developing trail systems. I would have user fees. Like the marathon boat launch sticker have an annual trail pass.	7/17/2018 7:23 PM

245	Don't develop with too many new businesses, revamp/update cedar creek area first	7/17/2018 5:43 PM
246	I would personally make no changes at this time. Let the other villages grow around us and preserve our village.	7/17/2018 5:39 PM
247	Get rid of the retention pond at the corner of Paniolo and Hwy X	7/17/2018 5:34 PM

257	More amenities for grocery, gas, nightlife, etc...	7/17/2018 3:24 PM
258	Bring in Restaurants, (fast food).	7/17/2018 3:12 PM

262	Need a kwik trip	7/17/2018 2:47 PM
263	I would add a community outdoor pool	7/17/2018 2:42 PM
264	bigger dog park	7/17/2018 2:37 PM
265	Adding an on ramp to 51N, as well as 51S but 51N is most important	7/17/2018 2:36 PM
266	Administrative goals, communication with the people that live here. I prefer Kronenwetter to focus on residential housing and stay away from rentals. Although this may bring in tax money it also decreases property value and brings in some baggage for the community.	7/17/2018 2:30 PM
267	More residential vs apartment.	7/17/2018 2:28 PM
268	Apartment building is out of control!! Cheap housing needs to stop	7/17/2018 2:24 PM
269	Just keep improving.	7/17/2018 2:24 PM
270	More street lights and curb and gutter	7/17/2018 2:16 PM
271	Keep a lot of trees to be in the back yards, have parades/celebrations	7/17/2018 2:15 PM
272	Add EMS service - dislike knowing if an emergency should arise I have to wait for Mosinee or Rib Mt to get to my location - which from both Stations is quite far.... I would better off driving in myself.	7/17/2018 2:15 PM
273	I would love to see the community grow into a larger area. Coming from the Chicago area it lacks certain amenities. I would love to stay close to shop and spend more time here then going to other towns for concerts ect.	7/17/2018 2:11 PM
274	Less apartments.	7/17/2018 2:10 PM
275	The road maintenance crew could use some training on snow removal. Not impressed. Village could return my four phone calls about our insane ditch.	7/17/2018 2:09 PM
276	Bring shopping back to Cedar Creek. Outdoor ice rink	7/17/2018 2:05 PM
277	more bike paths	7/17/2018 1:45 PM
278	a way for us common folks and seniors to have a say	7/17/2018 1:03 PM
279	The internet access. We live on the newer part of Sunny Meadow Drive and learned that internet cable stopped about 300 feet from our home. I'm not sure why it wasn't provided for our street but it's inconvenient for those of us that work from home.	7/17/2018 12:40 PM
280	Change the way the construction of new subdivisions is going. We have a subdivision that was not to be cookie-cutter, we met with the village but they didn't really care, let 5 bi-level homes be built in our subdivision anyway. There is a home in the neighborhood that has not put a yard in for two years, the weeds are knee high, nothing is being done about it. In a neighborhood it would make sense to have all driveways paved - but again, the village doesn't like to tell people how to keep their properties. Taxes are very high for the number of residents now living here, several sub divisions have been created which should help lower taxes, but this is not the case.	7/17/2018 12:31 PM
281	Highway access by Culvers	7/17/2018 12:30 PM
282	Nothing at this time	7/17/2018 12:14 PM
283	More kids opportunities	7/17/2018 12:09 PM
284	As previously stated, internet access in certain areas is lacking. It would also be nice to see multiple providers competing within the area as this will keep prices lower. A local company such as Solarus would be great as they provide fiber internet which is vastly superior to coaxial cable as provided by Charter.	7/17/2018 11:31 AM
285	Focus on recreation and balance with some business development	7/17/2018 11:24 AM
286	increase business increase commercial/industry control urban sprawl	7/17/2018 10:19 AM
287	slow growth	7/17/2018 10:01 AM
288	?	7/17/2018 9:31 AM
289	The village needs to follow the codes that they are enforcing. They have rules in place that community members are supposed to follow but if you go through the process the correct way you are told no while there are other members who do what they want and there are no consequences. If you have rules they need to be enforced to keep our community a place where people want to live.	7/17/2018 8:59 AM

313	Different method of seal coating roads without loose stone. Enforcement of codes on discharging of fireworks by residents at their homes	7/16/2018 4:45 PM
314	a smaller police force and possbly overlap coverage from another dept. also the village board needs to listen more to the people they represent.The whole sewer/ water (golden pond) decession was a joke and i lost respect for the board members at that time.	7/16/2018 4:40 PM
315	Curbing urban sprawl. Keep it rural	7/16/2018 4:30 PM

323	The ordinance on building size for example of a shed or additional garage...There shouldn't be an ordinance in the books for these. Most people know what size they can afford and if it will be aesthetically pleasing on THEIR property. Another reason for a planned move from our newer house out of Kronenwetter. The main change I'd like to see is the outrageous taxes lowered. I monitor my entire neighborhoods yearly property taxes & they are laughable- they truly are. All the "you can't do this" but pay more is not going to keep happening forever.	7/16/2018 2:57 PM
324	Keep the train quieter; especially at night	7/16/2018 2:43 PM
325	I would make one area for all commercial businesses and keep it out of the residential areas.	7/16/2018 2:42 PM
326	More retail businesses near the hwy X and hwy XX area.	7/16/2018 1:05 PM

10	The existing parks are not utilized well so I don't see a need to add even more parks. There are tax dollars involved to build and maintain them. Usually the only times I see people at parks is for a gathering/party or an organized sport. The majority of the time these spaces are unused.	8/6/2018 6:25 PM

28	Walking/bike trails would be nice IF they were long and actually went somewhere. Otherwise, expanding the shoulder on a few busy roads is fine. The very short trail behind G3 is nice but few people know of it and it wouldn't be worth the effort to drive out of the way to use it. The proposed trail by Old 51 is a complete waste. Plus, I'm sure our taxes would go way up to fund the \$500,000+ left after the grant.	8/2/2018 9:39 AM

4	Corner of X & XX near mobile station. Very congested with cars, accidents or close calls.	8/7/2018 3:36 PM
5	x at the maple ridge s curve. should have a snow barrier. very dangerous snow drifts all winter.	8/7/2018 7:05 AM
6	X & XX by the new gas station - traffic gets backed up badly, especially in the evening when everyone is coming home	8/6/2018 11:17 PM

9	The bridge at Bull Jr Creek in poor shape. On Hwy X. Had flat tire	8/6/2018 6:39 PM
10	Kowalski/Kronenwetter Drive - rocks from shoulder all over road. Perhaps it should be paved so it is safer for people on bicycles, motorcycles, etc. Plus, the rocks wouldn't get thrown up onto cars either. The past couple years the snow plowing has been awful - shoulders/rocks being torn up.	8/6/2018 6:26 PM

19	Maple ridge intersection, turning toward mosinee, the 1st car stopped waiting for the light has a hard time seeing the arrow on the stoplight across the street and it does not stay green for very long.	8/4/2018 4:53 PM
20	Very limited visibility on intersection of Old Hwy 51 and Kowalski Road when driving west on Kowalski going to Gardner Park Road.	8/3/2018 2:17 PM
21	The seal coat didn't work and has created a mess in our subdivision.	8/3/2018 11:09 AM
22	Near Hwy X and Wood Road, the speed limit increases from 45 to 55 mph and lasts for ONLY 1/2 mile! The result; loud acceleration by drivers "gunning" it and an unsafe intersection. Just 1/2 mile south of Wood Rd. a stretch of rough road results in the need for a cautionary speed limit of 45, then the speed limit goes down to 45 through two big curves ending at Maple Ridge Rd. Through the 1/2 mile of 55 mph there are 10 residences/driveways! Additionally, Wood Road is a popular loop for bicycles. It would be wiser and much safer to eliminate the 1/2 mile section of 55 mph at Wood Rd. and let it begin south of Maple Ridge Road as it currently does. Also, the recently rebuilt Bull Junior bridge was improperly constructed too low by Marathon County. Their "fix" was a thin layer of asphalt over concrete to attempt to bring it level with the road. Yearly, snowplows rip it apart, leaving the bridge rough, bumpy and with potholes for the rest of the year. Along a once peaceful road, there is now disturbingly loud noise when trucks and trailers cross the bridge, hitting potholes and bumps or when drivers feel the need to "gun" it to speed up to 55 . As a result, there have been flat tires and even a recent accident caused by debris laying in the road after falling from a bouncing trailer. Respectfully, removing the 1/2 mile stretch of a 55 mph speed limit and resurfacing the bridge properly should be a priority.	8/2/2018 2:36 PM
23	Lighting on Deerwood Trail	8/2/2018 11:50 AM

It is sad if you need more convenience stores or restaurants. Another idea for Cedar Creek might be a "cake and pie" business, where people could sit together to enjoy a "slice" and some coffee or milk, with numerous options available. 1	Need to care about more then just one area of Kronenwetter. Speed limits in areas are to fast. Still the same as years ago when people didn't live there	8/13/2018 8:52 PM
2	Kronenwetter is doing really well thus far, but we are at a tipping point...if we do not make good choices now, we as a village could end up in a place we don't want to be - broke with rundown infrastructure. We need to make smart choices that will sustain us into the future, not quick fixes that will get us no where fast. We have so much going for us and we need to choose wisely. We need to find what makes us special and really focus on that, make us a destination that people want to live in because they feel it provides them security, safety, a clean well maintained place to live that we all can be proud of. Sometimes...less is more.	8/7/2018 3:43 PM
3	1) Give residents more than 3 minutes to voice concerns at meetings. 2) Give residents time to voice concerns after the board discusses the concerns prior to voting. 3) Give proper notification (Mail and email) to parties involved in changes. 4) Clean, good water should be a top priority. 5) Incorporate bike lanes on new and existing roads that are being repaired.	8/6/2018 8:38 PM
4	Building convenience stores, restaurants, strip malls would not lead to a better quality of life for anyone. All these places offer low paying jobs. Boggging the village down with apartments and convenience stores could potentially lead to more crime. Watch the news and see how many of the crimes in the area are of someone robbing a convenience or dollar store. And, recently there was an arson at a Kronenwetter apartment. A couple years ago Kronenwetter had won an award for being a low crime area. Think hard before adding things quickly just to make a dollar now. The people of the Village making decisions need to be held accountable and should think about if they would want their neighborhood changed in a negative way.	8/6/2018 6:31 PM
5	Lower taxes	8/6/2018 2:39 PM
6	Give the Municipal employees Friday's off!!	8/6/2018 2:39 PM
7	Overall I think the Village and Staff are in a good place. Administrator Richard Downey is a complete idiot though. I don't understand how that man is in any level of leadership. Fire Dept needs to look at combining with another unit. Chief James is in over his head and they are a joke as a department.	8/6/2018 12:15 PM
8	A thank you to those serving the community	8/6/2018 7:18 AM
9	Don't be afraid to increase taxes when providing additional services to the residents of the community.	8/5/2018 1:21 PM
10	We love the fact that Kronenwetter is not largely developed or like a big city. Love the fact that Kronenwetter is in close proximity to the Wausau area.	8/4/2018 5:05 PM
11	None at this time	8/3/2018 8:58 PM
12	Do not squander the remaining property in our Village by allowing the development of more Sub Divisions all for the sake of the Developers.....!	8/2/2018 7:05 PM
13	I feel that the draw of this community is the nature like setting it exists on. It's calming and makes people feel safe. To destroy that for development would ruin the integrity of the village.	8/2/2018 2:47 PM
14	Thanks for doing the plan	8/2/2018 10:02 AM
15	Don't be in such a hurry to build quickly. There are a couple subdivisions which had nice homes and could have continued to have more nice homes. This would have resulted in more tax dollars in the long run. Instead, the decision was made to just throw up any house to fill vacant land and make a quick buck today. Many of these houses have issues and/or will have them in a few years. Take a moment and think if you want any of the proposed changes in your backyard. No? Then ask yourself why. Treat the residents like you would expect to be treated. I wish we had a couple board members who would question things and stand up for the citizens instead of just earning a few bucks for being 'yes men'. Also, it would be great if we knew something about people running for office before an election so intelligent choices could be made instead of voting blindly or not at all.	8/2/2018 9:55 AM

24	Glad to see the Village doing this survey/planning on a regular basis.	7/30/2018 3:44 PM
25	Kronenwetter has a relatively unique makeup of urban and rural areas. Please allow the rural areas to stay rural including more reasonable tax levels. Thank you!	7/30/2018 12:27 PM
26	I depends the cost of an interchange at Kowalski if I'd support it. We are close enough to the Cedar Creek exit to not need this exchange. However, if cost efficient it would reduce the traffic just north. The addition of lanes and stoplights at Cedar Creek have greatly improved traffic and safety. Prior to that improvement I would have supported Kowalski whole-heartedly. I feel safer since those improvements.	7/30/2018 10:19 AM
27	the tax burden for land owners needs to be reduced by adding more businesses, subdivisions, etc... I love my house and land, but the taxes are overwhelming on my 13 acres	7/30/2018 9:39 AM
28	Would like it if people were made to follow convenes. out neighborhood is looking terrible. Forest Grove Ave	7/30/2018 6:15 AM
29	Do not build low income housing in the village of Kronenwetter.	7/29/2018 9:46 PM
30	Can't say it enough... Better internet service (charter/spectrum) would be great on the east end. AND, Kowalski interchange is a must. Please work with the legislators to figure out the problem. Otherwise, we love living here in Kronenwetter. A great place to be!	7/29/2018 11:33 AM
31	I feel very satisfied with the current state of the Village of Kronenwetter. I feel that it would be nice to see current recreational areas improved upon and develop some quiet, recreational trails, like a bike path/snowshoe trail. I think that it would be nice if residents were pressed a little more to maintain their homes a little better. Some homes have really been slipping, which takes away from the neighborhood.	7/28/2018 7:04 PM
32	I would like to see more Condos built similar to those on Golden Pond on Highway X. I would like them on the North end of the Village as those would be closer to shopping, etc.	7/28/2018 10:44 AM
33	Thank you for asking for our opinions	7/27/2018 11:25 PM
34	We love it here	7/27/2018 9:48 AM
35	The appeal of Kronenwetter is the fact it's not over developed residentially or commercially. This also preserves the overall safety and upkeep to the village.	7/26/2018 9:57 PM
36	Multi-puprose housing should not be allowed in residential zoned subdivisions. Residentially zoned azreas should be allowed to be changed	7/26/2018 8:38 PM
37	Patrol cars on Pleasant to catch Kowalski speeders and better internet	7/26/2018 8:35 AM
38	More internet access, less development.	7/25/2018 4:29 PM
39	Please, no more development. No more gas stations or big businesses. Kronenwetter is appealing because we 're Off the beaten path. Dont bring the city to us.	7/25/2018 3:32 PM
40	As a senior citizen I will not have completed certain portions of this survey.	7/25/2018 2:40 PM
41	Keep in mind that people move or have moved into the village for what we are and not what we might be in the future. Looking to change or expand isn't always what people want.	7/25/2018 11:46 AM
42	Keep up the good work.	7/25/2018 9:54 AM

Kronenwetter Comprehensive Plan Survey

43	We need to be Kronenwetter and set our village apart from Weston and other nearby cities. I wouldn't want to live in Weston, it's too frilly and has high taxes. Keep Kronenwetter simple. Many times less is more. I think we need to keep taxes low. There are other ways to get money for recreational activities such as a walking biking trail. I think if residents are encouraged to help with the funding instead of unwillingly being taxed for it this would help. Individuals who would use a path would be more willing to help with a path than an older person who doesn't live near it or couldn't use it.	7/25/2018 8:47 AM
44	Thanks for asking for our input.	7/24/2018 8:42 PM
45	overall, enjoy the area and the support of the Village, good job i believe but there is always room for improvement, thank you for letter me voice my concerns.	7/24/2018 9:39 AM
46	Please remind yourselves and the community of the past and how Kronenwetter was started, from 1970 to the present. There is a lot to learn by looking at the slow growth that happened along the way. Do more to credit people from the past - dedicate trees to them or start a fundraising drive to name a Past Community Member award or something. We need to remember people like Tom and Julia Slavicke, who helped build the area. It's people like that who are some of the true pioneers of the area, more than Kronenwetter in some cases. This thinking could help us raise some money to support police and fire, but also remember our heritage. I don't know why more of our streets don't honor past residents or those who helped settle the area. Many still live here! I'd love to see Oertel, Hitt, Buska, Klieber, Boron and other names on roads! That in itself could be a great way to honor people - nominate for street names. That way you'd get a story along with the name for the future. Which could mean a Kronenwetter museum!	7/24/2018 9:27 AM
47	I feel many have found Kronenwetter to be an area that is "out of town a bit" to enjoy the rural setting. But close enough to town , being just minutes away. I feel the village is only interested in growth which goes against many of the reasons people have moved to the Kronenwetter area. Like many cities, towns and villages where they continue to grow, which then leaves the "heart" of the original area to become run down and abandoned. Let's focus more on keeping that area at a level it should be.	7/24/2018 8:51 AM
48	Very thorough survey!	7/23/2018 11:52 PM
49	The income level I indicated is not our combined income, but just mine. My husband will fill out the survey, too.	7/23/2018 8:52 PM
50	We absolutely love Kronenwetter, a Kwik Trip and an interchange at Kawasaki and maintaining of parks and open area would be my top priority	7/23/2018 2:55 PM
51	If you come up with ways to spend tax money, pay for it with a user tax. Put stricter weight limits on our roads.	7/23/2018 2:34 PM
52	I find some of the people at the municipal center quite rude when asking them for information. It is not the receptionist but people like Randy F. He seems so short tempered. I believe my tax dollars pay his salary so maybe he should be friendly and quit acting like we are intruding on his time.	7/23/2018 11:21 AM
53	Stop developing. Kronenwetter is a beautiful place! Low crime, you feel incredibly safe to go walking at 10:00 at night, super family friendly, ect. We don't need more stores...we need more nature, outdoor activities! Kids and adults love it here. We love being outside! Just improve what is already here, PLEASE!	7/23/2018 10:56 AM
54	Thank you for a wonderful place to live!	7/23/2018 8:10 AM
55	It would be nice to not see the trailer park	7/22/2018 9:11 PM
56	Thanks for asking.	7/22/2018 7:24 PM
57	Thank you!	7/22/2018 6:22 PM
58	Please keep the Village small with a rural feeling to it. No need to bring Walmart in when we can travel 6 miles to one.	7/22/2018 10:33 AM
59	Village staff is awesome! :)	7/22/2018 9:06 AM
60	Moved from Madison Area What we miss most is our Costco. This is an outstanding store and having one in Kronenwetter would be a definite asset and would draw people from miles around. Right now we and many other people we have met drive to Green Bay area or Sun Prairie to shop Costco. Store puts Sam's Club to shame. Now except for perishable items we order online from Costco and have it delivered. Once a month we drive to Sun Prairie to get our meat and produce	7/21/2018 6:23 PM

62	Please make sure that The Glades are not infringing on our property lines!!!!!!	7/21/2018 11:24 AM
63	Taking out the maple ridge inerchange in order to have a kowalski imterchange would be beneficial to kronenwetter's growth ove the next 5 to 10 years	7/21/2018 10:53 AM

Kronenwetter Comprehensive Plan Survey

64	There is a need to develop the Maple Ridge Road area with more convenience stores and walking/biking paths	7/21/2018 10:50 AM
65	try to get some nice business's to locate here.	7/21/2018 8:39 AM
66	Again, would really enjoy a bike/walking trail along X that goes to the Aspirus YMCA and connects to that trail.	7/21/2018 8:05 AM
67	get more aggressive about Kowalski Rd interchange; work directly with representative and senator for our area.	7/20/2018 10:25 PM
68	Too much attention is focused on commercial/business development and not enough on family single residences. It's a good place to live but more homes need to be available.	7/20/2018 8:19 PM
69	Please no more bringing businesses into the subdivisions. If I had wanted to live in a commercial area, I would have bought a house in Wausau.	7/20/2018 3:42 PM
70	Rural internet is needed. I work from my home 2-3 days a week and it is a challenge to take phone calls or submit data. Also cable television. Have lived here 35 years and we are no closer to cable then when I first moved here.	7/20/2018 11:57 AM
71	We need more pedestrian trails desperately in Kronenwetter and the entire Wausau metropolitan area. It would be nice to see more businesses in Kronenwetter and shopping. There are very little job opportunities locally.	7/20/2018 10:09 AM
72	N/A	7/20/2018 10:03 AM
73	lower property taxes	7/20/2018 9:00 AM
74	I feel very strongly about the Kowalski interchange 51/39, it would cut 10 minutes off my commute every morning. Please actively pursue this!	7/20/2018 7:56 AM
75	Keep up the good work	7/19/2018 6:01 PM
76	Kronenwetter is where I was born and intend to live out my life here. Most of the changes are wonderful. Would really like to see our road - Forest Road-resurfaced and would like to see a stop light by the Camp Phillips and X intersection by the corner gas station. As previously mentioned, a yield or stop sign at the intersection of Autumn Rd and Forest Road is needed. People drive like maniacs around here, would like to see better control of speeders.	7/19/2018 5:26 PM
77	Very happy to be living in such a safe & friendly Village. Formerly from Weston. This Village is wonderful. Keep out trailer parks!!! Enforce Village rules for properties	7/19/2018 1:09 PM
78	Best of luck! Think what is the best thing for the future (technology/internet, along with sustainability (both environmental and energy) are going to be huge.	7/19/2018 10:57 AM
79	Get businesses in and grow Kronenwetter. You can't wait for businesses to knock on your door-that's not how it works. Love how biased this survey is- give me a break. Who wrote this survey??	7/19/2018 10:48 AM
80	If the village owns land, we should sell it to get businesses located in Kronenwetter.	7/19/2018 9:51 AM
81	We have watched Kronenwetter develop from a rural setting to a suburb. As we have aged, we appreciate the proximity of good medical care and other things that make our life more well rounded. Based on what we have watched develop, it feels like Kronewetter has not added services that make it convenient to shop and enjoy events in our town. Why do we need to travel to enjoy outdoor water features. Perhaps a pool or some other thing to keep our residents close to home. I have often thought that an antique store in the community would be a great compliment to the Harley Davidson & Gander Outdoors stores. Something to draw the women and not just the men. Definately another option for a grocery store. I WON'T shop at Pick N Save. I travel to Wausau to get decent groceries. It feels like Kronenwetter is looked at as a last resource for many things. We need to step up our services to draw younger and up and coming families. They are the basis of our future in Kronenwetter and Marathon County. Without good services, events and outdoor action there is nothing to draw the younger people. Wausau is rounding out the variety of things to do very well and I think Kronenwetter should study that plan.	7/19/2018 9:08 AM
82	Running/biking trails and a skating rink/splash pad/pool at Friendship Park.	7/19/2018 9:07 AM
83	go forward not back	7/19/2018 8:55 AM
84	Need consistent and knowledgeable people running Kronenwetter. Rules are inconsistent. We live in a rural area but our neighbor complains about our woodburner. She is a thorn in everyones side. We have not had favorable experiences with Randy Fifrick. Really question if he knows his job.	7/19/2018 8:42 AM
85	More retail and accountability for why we don't have retail.	7/19/2018 8:15 AM
86	We moved here 6 months and don't feel we lived here long enough to complete this survey.	7/19/2018 7:59 AM

Kronenwetter Comprehensive Plan Survey

87	The post card was mailed to businesses, as well as residents of Kronenwetter, but some of the questions were only relating to residents,there was no choice for N/A.	7/19/2018 7:48 AM
88	PLEASE act to better maintain residential properties. It is embarrassing to have friends and relatives visit from other communities, and property values are at risk	7/18/2018 9:38 PM
89	I really like Kronenwetter for its safe environment, large lots and quite neighborhoods. The only real issue is the few people that have crap in their yards that junk the neighborhood up.	7/18/2018 9:10 PM
90	Overall, a nice place to live - nice schools, nice houses, safe. Please give us more recreational opportunities and other opportunities. I feel we travel to the surrounding communities quite often when we would rather stay.	7/18/2018 8:47 PM
91	Too much burning in urban areas. Should be no burning when houses are this close. Bonfires ok, but no garbage or brush piles; that's why we have garbage pick-up and lawn site.	7/18/2018 8:09 PM
92	Online bill pay for water/sewer would be wonderful!!! Would save on late bill payments.	7/18/2018 7:34 PM
93	Expanding commercial and residential areas will be crucial to kronenwetter thriving, but do not do so at the cost of farm and wooded land in rural areas. That's what draws people to the area. Small town feel without too much clutter. If I were able I would love to live in the rural portion of the village.	7/18/2018 7:31 PM
94	PLEASE STOP DEVELOPING. WE DON'T NEED ANYMORE TAPPE VILLAGES. I LIKE THE RURAL SETTING THAT KRONENWETTER OFFERS. LEAVE. IT. ALONE. If I want to go somewhere, I travel 10 minutes down the road.	7/18/2018 7:21 PM
95	I the past the village has a bad name with secret board meetings,spending money on things not needed, doing things without the proper paperwork, not to many people trust the village board it just seems like the village does what it wants to do and no care for the residents at all, then when something goes wrong the residents have to pay for it. If I would have known 30 years ago what I know now, I would not live in Kronenwetter and I am not alone	7/18/2018 6:18 PM
96	Assuming there will be no school district of Kronenwetter then we need to find ways to bring community together, have pride in our community. It feels now it's lije a camp where everyone comes to sleep.	7/18/2018 4:17 PM
97	Take out the traffic lights at Village way/Old 51, Gardener Park/Old 51, and Maple Ridge/Old 51. They are unnecessary. They slow down traffic for no reason. There is plenty of time to pull out onto old 51. There were no accidents at these locations before the lights went in. I will contribute to the cost of their removal.	7/18/2018 4:00 PM
98	For those of us living west of the railroad tracks another Crossing road is needed south of Happy Hollow Road to decrease delays waiting behind the train.	7/18/2018 3:28 PM
99	Don't continue kowalski thru to Martin rd.	7/18/2018 3:19 PM
100	Splash pad located in Friendship park. Look to Wanick Choute Park in Sherwood WI for an example of what would be PERFECT!!!	7/18/2018 1:22 PM
101	Please don't try to make Kronenwetter too big. Problems will move in then like crime!	7/18/2018 1:12 PM
102	You don't need more/stricter ordinances. Just start enforcing the ones on the books now. i.e. Junk cars in people's yards. Don't need to look very hard to find those.	7/18/2018 12:58 PM
103	please enforce people not mowing grass and collecting junk in the yards	7/18/2018 12:57 PM
104	Stop the residential and commercial sprawl. There are agricultural islands amidst heavy residential corridors. Develop these areas, before expanding outwards.	7/18/2018 11:59 AM
105	N/A	7/18/2018 9:33 AM
106	Listen to your residents when concerns are raised about what your allowing to be built in their neighborhoods. Protecting residential areas from commercial or business development should be part of your plan .	7/18/2018 8:28 AM
107	Please allow people in the more rural area to put up small sheds to avoid yard clutter. I feel a nicely kept shed is more practical then Unslightly yard clutter.	7/18/2018 5:05 AM
108	Kronenwetter is a small community that has potential to grow. Right now, there is not much here except houses, a few random businesses/gas stations. It could use some family oriented businesses....park improvements, restaurants, recreational areas. I have also had interaction with the board. I feel as if they are in their position to gain notariaty rather than carry out a job description. We as a household, have attended several meetings, we have witnessed board members doodling, not listening to what was said and repeating a question or statement, intoxicated board members were allowed to vote and be present at meetings etc.	7/17/2018 10:50 PM

Kronenwetter Comprehensive Plan Survey

109	The residents and board should be directing staff, not the other way around. Improve your communications and follow the direction of the current residents. Also quit wasting significant amounts of time on issues that might seem important to staff but have little to no relevance to residents. Residents employ you, not developers.	7/17/2018 9:52 PM
110	I love living in Kronenwetter. I would like to see more community events like trunk or treat. A splash pad or water park would be great for the area.	7/17/2018 9:41 PM
111	Thanks for allowing input.	7/17/2018 7:31 PM
112	Cell phone coverage at my residence is terrible, not sure if you can aid with that or not	7/17/2018 5:51 PM
113	Keep the village as separated from Wausau as possible.	7/17/2018 5:38 PM
114	Need to work on developing the Kowalski Road interchange..... like soon, real soon !!	7/17/2018 5:18 PM
115	I think a lot of the future plans for Kronenwetter will be effected by the new Weston Centre. The amount of traffic would increase and potential desire for increase in housing types. Possibly multi family or apartments depending on the crowd it would bring in.	7/17/2018 3:27 PM
116	Don't need the police department, you never see them in town!!!!!!!!!!!! You see them outside the village limits !!!!!!!!!!!!!	7/17/2018 3:20 PM
117	I cannot stress the importance of adding a ramp to the kowalski interchange. Currently housing in kronenwetter is borderline for Aspirus employees "call" shift because of the additional 5-7 minutes needed to get on by Culvers. This may give more people opportunity to buy houses here and live in this wonderful community. My husband can barely make his "call in time" within the 20 minute window. Thank you.	7/17/2018 2:48 PM
118	Question #32 is a joke, you don't enforce housing maintenance regulations. If you did you would speak with multiple residents on Pinedale and Wedgewood. One of the homes has weeds that are 4 ft tall over the entire yard for two years in a row. Other people have their yards littered with vehicles, recreational toys, etc. Stop pretending and actually DO IT!	7/17/2018 2:43 PM
119	I'm looking forward to seeing the grow of our village. We love our location to surrounding areas but would love to enjoy more time with in our village. Over the few years we have looked at moving to other larger areas due to not having enough amenities. However, we believe the grow will take off between here and Weston. Thank you for asking your residence for their vision on the Village.	7/17/2018 2:26 PM
120	We love where we live. Just a bit concerned with all the apartments going up in a relatively small radius of each other.	7/17/2018 2:25 PM
121	Expanding too much commercially will make the town chaotic and noisy. Bring business back to cedar creek and other already commercially developed areas.	7/17/2018 2:13 PM
122	Love the Froyo at Village crossing	7/17/2018 1:27 PM
123	There were plans to have a park in the triangle of space between Pine Rd, Pleasant Dr and Hwy X. Why has this not moved forward?	7/17/2018 1:13 PM
124	Residential input into the evaluation of police officers/chief. I am willing to pay more taxes for better parks/recreation facilities as well as widening the shoulders on the streets for walking. I don't think sidewalks would be necessary.	7/17/2018 12:48 PM
125	Boat access to river	7/17/2018 12:18 PM
126	N/A	7/17/2018 11:42 AM
127	maintenance property standards need to be enforced no multi-family building get business, commercial, industrial if need to raise taxes, so be it senior apartment complex is a good idea another condo complex also keep trying to get Kowalski interchange need a new source to get Municipal Water need to cut the village debt	7/17/2018 10:44 AM
128	Please review future land use recommendations based off of this survey for consideration for the future of the comprehensive plan	7/17/2018 10:23 AM

Kronenwetter Comprehensive Plan Survey

129	Kronenwetter has seen many new homes in the past couple of years and before they can continue to develop they need to maintain what they have. I grew up in Kronenwetter and have lived here with my family for 6 years and in all areas that we lived there is a lack of street lighting. I understand that the community needs to grow to provide these services but will the recent growth this is a great time to improve these items before they look at growing more. The people who live in Kronenwetter live the small town rural feel and if that is eliminated you will see people leave. They also need a better way of working with community members on their regulations. I agree that we need to have standard that need to be in place but they also need to be enforced. Also if you are going to follow the rules exactly as they are written there shouldn't be variances. Also as working are out and about in the area they should be checking on changes to properties to ensure permits are obtained as needed. For example there are garages that are going up that permits have not been issued for and if a permit was issued no one is following up to ensure they are built correctly.	7/17/2018 9:14 AM
130	More enforcement of property regulations would be helpful in maintaining property values.	7/17/2018 6:32 AM
131	For the drawing, my email address is: mhabeck@charter.net	7/16/2018 9:56 PM
132	Keep taxes down.	7/16/2018 9:16 PM
133	N/A	7/16/2018 8:52 PM
134	It would be nice to see the rentals maintained a little better and better walking access near the apartments so people are not wondering down the middle of the road	7/16/2018 8:47 PM
135	Need a downtown area with restaurants and shopping.	7/16/2018 6:49 PM
136	i said all i can think of	7/16/2018 6:20 PM
137	Next survey, please define urban and rural. To me, nothing is urban in kronenwetter, compared to other cities.	7/16/2018 4:59 PM
138	Listen to the people! Keep small town atmosphere, don't try to be Wausau. Keep as much rural life as possible.	7/16/2018 4:39 PM
139	Let's keep our community up to date and growing at a pace we can all live with.. Work together and do the best for our future..	7/16/2018 3:50 PM
140	Good luck. We hope this helps.	7/16/2018 3:50 PM
141	create a virtual retirement community and create the regulations to promote retirees in Kronenwetter. Great for long term stable residents	7/16/2018 3:34 PM
142	kryptkitty13@gmail.com	7/16/2018 3:15 PM
143	I want to mention that the only village rep that was very helpful was Chris Johnson who helped me with the road stone problem.	7/16/2018 3:10 PM
144	Potential for a quality area that attracts top dollar if done right. Enough starter homes already. The developments are already getting run down. Get rid of junk in peoples yards as community looks like yaegers in some areas. Pallet dump for instance.	7/16/2018 1:01 PM
145	I think it's important to strike a balance between commercial development and preserving the natural beauty in Kronenwetter	7/16/2018 12:39 PM
146	You will fail as a village very easily if you do not build industry, people will leave this place village if you don't provide services. Also quit building apartments, they are nice at first but quickly become horrible dangerous and nasty places. They are also a police and fire nightmare. You need to reduce the village admin staffing. You don't need half the people that work there.	7/13/2018 6:32 PM
147	need to expand the village with business and other things to bring money into village. also expand on public safety with more staff on police department and fire department to ensure the safety of the village.	7/13/2018 6:30 PM
148	a larger police force	7/13/2018 3:03 PM
