

*Village of Kronenwetter Police Department*  
**CERTIFICATE OF APPRECIATION**

This is presented to

*Officer Brad Wolff*

This Certificate of Appreciation is hereby presented to Officer Wolff for his extraordinary dedication to the Kronenwetter Police Department in 2014. Officer Anderson stepped up and really helped the department after our part time staffing decreased mid year.

His willingness to work many hours helped ensure full time officers could still have time off for vacation or training. Officer Wolff's "team first" attitude is appreciated by all members of the department and reflects great credit upon himself, the department, and LE as a whole.
